

When we do instructions we write how
to do stuff. After that we do
Assembly at assembly. Sometimes someone
comes and reads us a story and we do
singing also. Sometimes some visitors
come. Then it's playtime, at playtime
we can go on tyres or equipment. Next
it's Numrac, in Numrac we do numbers,
counting and shapes. Then it's Dinnertime.
We sometimes do reading buddies where
someone reads and someone listens
and we eat our dinners or sandwiches
and we also play. After that it's afternoo
Register we answer the register.
