

A day in Year 2

First (in Year 2) we do Busy Book time.

When we do Busy Book time we do pictures and sometimes read, it is very fun.

Once we've finished Busy Book time we do the register where the teachers call our name out and we have to say "yes".

After that we do phonics and in phonics we learn vowels, consonants, split digraphs and verbs and sometimes spellings it is hard but it is fun.

After phonics we do Literacy. In Literacy we write books, we do comprehension and lots of writing.
